

Greetings from GKCEM!

Training & Placement Cell at Greater Kolkata College of Engineering & Management, Baruipur organized an “Interactive Session Between Corporate HR & Students” on 4th August, 2017 at the Seminar Hall on the very pertinent topic

“What Matters in Campus Interviews”

The session was conducted by Mr. Sujit Dutta who is presently Head (HR) at Hind Rectifiers Ltd., Mumbai. Mr. Dutta has a vast experience of about 35 years in the HR sector at very senior positions in various reputed companies. He has also done a management certification program from IIM, Ahmedabad.

The audience, consisting majorly of final and pre-final year engineering students, was educated on the broad format of campus placement process adopted by the companies and the basic skill sets the students need to acquire to achieve success. He livened up his presentation by incorporating interesting video clips, quiz sessions and examples from his own experiences of conducting campus placement processes in institutions all over India.

Students were enriched by the informative and interactive session conducted by Mr. Dutta and the vast repertoire of guidance and tips on how to be successful in campus interviews was a huge takeaway for them.

Few snaps of the events are appended herewith.
